

THE ALL HALLOWS WAY

Easter 2025

We have had a wonderful term at All Hallows. In January, we launched our new Mission Statement and this was well received by the pupils and staff. We have exciting plans to make this more visible around the school along with the school prayer. We have celebrated the pupils' achievement through The Charter with rewards of a breakfast, a roller disco and a silent disco. These were thoroughly enjoyed by both staff and pupils. We have welcomed a number of external visitors in to school to work with our pupils on a variety of topics including finance, literacy, interview techniques and careers education.

At February half-term, a group of pupils travelled to Italy skiing and had a thoroughly enjoyable time learning new skills. We were delighted to have Fr Emmanuel and Rev Paul Chisnal in to distribute ashes on Ash Wednesday to over 200 pupils and we had assemblies to mark the start of our Lenten preparations. Year 9s had a mental health performance workshop that raised awareness of mental health issues that affect young people. Our pupils benefitted from this experience and this continues the work we are doing with Year 9 on emotional resilience. Staff, pupils and members of the local community embraced Culture Day and it was truly remarkable to see our All Hallows family come together to celebrate our inclusive nature.

Wishing you a happy and Holy Easter.
