

## Vision Statement

All Hallows RC High School believes that a high quality Careers program is not exclusive to year 10 and 11 students and so we believe in providing Careers education to all our students starting in year 7 and building in content upto supporting our year 11 students with planning for their Post 16 journey.

Below are some websites offering advice and support in the areas we will be covering. These can be used to help you continue their careers education at home

## Careers in the Curriculum

## How can you Support them?

### Year 11

Post 16 options:  
Writing a Personal Statement and CV  
College open evenings / taster days  
National Apprenticeship and Higher Education Expo
