Thursday 19 March 2020

Dear Parent/Carer,

The announcement last night by the Government, although perhaps not unexpected, has impacted on many in our society. To recap:-

All schools will be closed to everyone except children of key workers and vulnerable children from Monday, as part of the country's ongoing response to coronavirus.

Examples of these workers include NHS staff, police and delivery drivers who need to be able to go to work (we are still awaiting the full list – we will survey parents on receipt of this list via text). Vulnerable children include those who have a social worker and those with EHC plans (school staff are ringing these parents).

Children who do not fall into these groups should remain at home with appropriate care.

All Hallows School will close (for the majority) at 3pm Friday 20th March and as yet we are unclear as to when we are re-opening for all.

In yesterday's letter I explained that bespoke work will be set for every child in every subject on google classroom from Monday (and this will be ongoing). Additionally pupils will leave school today with a physical work pack. We are making arrangements to have the packs delivered to the homes of pupils who are absent today. If your child has any issues accessing google classroom, please email school via the student services email address.

It is important that your child continues their education and completes work during this time of school closure. We would advise that as far as possible they follow their normal school timetable at home.

If your child is in Year 11, please join us in reassuring them that whilst the exams may not take place, they will be awarded qualifications and at the grades they deserve. Teachers know your child well and assess regularly. They also understand the progress generally made between PPEs and the actual GCSEs. This will be reflected in any predicted grades that we may be asked for. This means that their work to date and continuing whilst at home is even more important, and so they should be working as directed both in school this week and after that.

Staff have been speaking to Y11 pupils in school today to empathise, reassure and to refocus them on the known rather than the, as yet, unknown.

The government have taken the decision to close schools in order to help to prevent further spread of coronavirus. It is, therefore, vital that as parents you ensure that your children are at home, and are not congregating in groups outside of the home – they need to be dramatically reducing the number of contacts that they have with others (social distancing).

Although school is closed, we are still the family of All Hallows, and as such we want to be here for you and your child, and will endeavour to support you in any way we can. We already have plans to keep in contact with certain families via regular phone calls, and also are putting in place measures to support pupils in receipt of free school meals. In addition, you are welcome to contact school for help or guidance. This can be done either by ringing school on 0161 921 1900 between 8:30 am – 3 pm, or by emailing studentservices@allhallowsrc.co.uk. Emails will be read and responded to during school hours.

Attached is a list of food and other support available in your areas.

We will continue to update you by letter, school website and social media as and when appropriate.

Please continue to look after yourselves and your families and to help others where possible. Know that we are here for you, and that you are in our prayers.

God bless you all.

Yours sincerely

A Cavanagh

The Bread and Butter Thing have opened a new hub, at St John's Church Pendlebury, which supports M6 families. There is also a hub in Ordsall for M5 families which is at the Tatton Cafe.

The Bread and Butter Thing is at St John's Centre every Monday afternoon, providing weekly groceries at a low price.

They get supplies of perfectly good food that just isn't needed by supermarkets, factories or farms. This means that you don't get a choice about what you are given – but you do get three bags of shopping (one fresh fruit and veg, one fridge goods, one store-cupboard goods) for £7. You can also get a larger or smaller order to suit your household.

You don't have to take food every week – and if you're not sure if it's for you, you can sign up and get your first order for free just to try it out. The scheme is open to anyone, **if families do not live in an M5 or M6 postcode please contact me as I can provide assistance.**

HOW TO SIGN UP TO THE BREAD AND BUTTER THING

Step 1 – Send a text to **07860 063 256** with your full name, your postcode and the hub name (e.g. St John's/Tatton Cafe). If you want a vegetarian order, add "vegetarian" to the end of your text.

Step 2 – TBBT will send you a text every Saturday to see if you want an order on the following Monday. Reply "YES" to the text by 10:00 Sunday, and say which size of order you would like:

- Single (one bag, £3.50)
- Family (three bags, £7)
- Extra Large (six bags, £14)

Step 3 – Collect and pay for your order at [St John's Centre](#) / Tatton Cafe on Monday between 1.30-2pm. You can pay by cash or card.

For more information about TBBT, [visit their website](#) or [contact the Centre](#).

FOOD PANTRY OPENING TIMES WEDS, THURS, FRI 11AM-1PM

We have a partnership with Fareshare, who sell us spare food from Supermarkets for Charity work. This food is always of a high quality and is never out of date, but the food we receive means we can help local people in a number of ways:

Our Food Pantry (shop) offers a range of chilled foods, ambient (room temperature) goods and fresh fruit and veg. To use our Food Pantry simply fill out a membership card and pay a weekly fee of £2.50 to choose between £10-£12 worth of food.

We usually have fresh fruit and veg, Kelloggs cereals, bread, tins, pasta and jars of Cook in Sauces, cereal bars, cakes and lots of unusual items which once you have paid your £2.50 you can try for free! We are now starting to stock chilled (fridge items) too!

Food Pantry is open to all on low incomes who live within walking distance of St James Higher Broughton. We are open Weds, Thurs, Friday 11am-1pm. Come in and have a look round!
