

All Year Groups Online Timetable

January 2021

Key:

- Live Lessons
- Live lessons every other week
- Work set on google classroom with instructions and/or instructional video (not highlighted)

(Registers will be taken for all live lessons)

Students are expected to log into google classroom for each one of their lessons. Where lessons are highlighted there will be a live lesson delivered by their classroom teacher.

Where lessons are not highlighted there will be, at a minimum, work set for pupils to complete, but at times there may also be a live aspect where teachers will give pupils instructions.
